SHOW OVERVIEW

Sleep Expo ME, the region’s premier trade show for the bedding and mattress industries, returned for its 3rd edition this year.

The 3-day show concluded with a great success connecting Leading brands and suppliers from around the world to present a combination of innovations and the latest technologies to the audience and also witnessed new brands in the market. Umpteen international markets took the Sleep Expo as a platform to break into the industry and introduced best practices into the region.

The show had visitors take advantage of the latest cutting-edge solutions for an array of sectors, networking opportunities and much more at the Sleep Expo.

CONFERENCE

The 3-day conference witnessed international speakers from the industry. It ran in parallel, screening a range of relevant topics that delved into ways to grow bedding & mattress consumers into more than one-time buyers.

The conference was dedicated to the global and middle eastern markets focusing on sustainability, the latest trends, Proactive thermo-regulation in bedding, Scope & challenges in mattress & foam manufacturing set-up, Mattress Supply Chain and many more engaging topics.
